| <b>Product:</b>  | TM000053          | OILNAT CASTOR OIL USP | <b>Date</b> | 03-06-13 |
| <b>Supplier:</b> | ALSTON NOVA, S.L. |                       |             |          |

The text below indicates whether or not the product contains any of the following substances or ingredients:

| INGREDIENTS   | Yes/No | INGREDIENTS                              | Yes/No |
|---|--------|--|--------|
| Cowsmilkprotein   | No     | p- hydroxybenzoate (E214->E219)          | No     |
| Milk and derivates  | No     | Tartrazine (E102)                        | No     |
| Chicken egg and derivates   | No     | Yellow FCF (E2110)                       | No     |
| Soya and derivates  | No     | Sunset yellow (E110)                     | No     |
| Soya oil and derivates  | No     | Amaranth (E123)                          | No     |
| Cereals with Gluten <sup>1</sup> and derivates  | No     | Cochénille red A (E124)                  | No     |
| Saccharose  | No     | Sorbic Acid (E200->E203)                 | No     |
| Beef  | No     | Cinnamon                                 | No     |
| Pork  | No     | Vanilla                                  | No     |
| Chicken   | No     | Vegetables                               | No     |
| Fish and derivates  | No     | Peanuts and nuts derivates               | No     |
| Crustacean (shellfish)  | No     | Glutamate (E-620 to E625)                | No     |
| Fructose  | No     | Shell- fruit <sup>2</sup> and derivates. | No     |
| Corn  | No     | Sulphite <sup>3</sup> (E-220 to E-228).  | No     |
| Yeast   | No     | Phenylalanine                            | No     |
| Cacao   | No     | Sesame seeds and derivate products       | No     |
| Coriander   | No     | Celery and derivate products             | No     |
| BHA/BHT (E320-E321)   | No     | Mustard and derivates                    | No     |
| Benzoic Acid (E210->E213)   | No     | Molluscs and derivates                   | No     |
| Lupin and derivates   | No     |  |        |
| GLUTEN. Presence of > 10 ppm Gluten or < 5 ppm Gliadin (ELISA technique?)                               |        |  | No     |
| GMO's. Presence of GMO > 0.9 % (R.CE 1829/2003)?  |        |  | No     |
| GMO's. Presence of GMO < 0.9 % (R.CE 1829/2003)?  |        |  | No     |
| An IP (Identity Preserved) system exists to guarantee that product does not have to be labelled as GMO? |        |  | Yes    |

| <b>Irradiation Certificate</b> <sup>4</sup>            | Yes | No | In affirmative case, indicate the kind of radiation, |
|--|-----|----|--|
| Has the product been ionized irradiated?               |     | No |  |
| Does the product contain ionized radiated ingredients? |     | No |  |

### Certificate of origin
